

BURN LESS COAL—HAVE MORE HEAT

GLOBE BASE BURNERS will do both, because of their scientific construction. The lower part of the "down" flue extends from the bottom base-plate to the top of the ash pit. Then, three flues in the back are three-fourths exposed. This distinctive GLOBE construction gives you twice the direct heat radiation of any ordinary base burner, at less cost! Don't take our say-so. Come in and see for yourself. Rigidly inspect a GLOBE BASE BURNER. That's all we ask.

Other products of the Globe Stove & Range Co., Kokomo, Ind., are: Globe Steel and Cast Range Base Burners, Soft Coal Heaters and Warm Air Furnaces.

Certain Cure for Croup.

Mrs. Rose Middleton, of Greenville, Ill., has had experience in the treatment of this disease. She says, "When my children were small my son had croup frequently. Chamberlain's Cough Remedy always broke up these attacks immediately, and I was never without it in the house. I have taken it myself for coughs and colds with good results."

THE BEST TEST

Is the Test of Time.

Years ago this Perryburg resident told of good results from using Doan's Kidney Pills. Now Capt. T. Inman, of Fifth and Elms Sts., confirms the former statement—says there has been no return of the trouble. Can Perryburg people ask for more convincing testimony?

Capt. Inman says: "I suffered constantly with a dull throbbing ache over my kidneys and pains through my loins. My kidneys acted irregularly and too freely. Nothing helped me until I used Doan's Kidney Pills. After I started taking Doan's my health greatly improved until all traces of kidney trouble disappeared. I have had no return of it since." (Statement given September 30, 1911).

Permanent Cure. OVER FIVE YEARS LATER, or on March 9, 1917, Capt. Inman said: "I haven't had occasion to use a kidney medicine since Doan's Kidney Pills cured me so I have the same faith in them I had six years ago."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Capt. Inman has twice publicly recommended. Foster-Milburn Co., Props., Buffalo, N. Y.
